

2020 Winter CME Lift Ticket Information

Deer Valley Resort uses a voucher system for groups such as ours so you will purchase your tickets *at a discounted rate directly from Deer Valley*. You can purchase all your tickets for the length of your stay at any ticket outlet including The Lodges at Deer Valley and Snow Park Lodge at the base of the slopes. If you are staying at the Lodges, you will receive your vouchers when you check in. If you are staying elsewhere, you can pick up your vouchers at the welcome reception on Saturday evening or call Charlotte Vayda at 601-862-8803 when you arrive to make arrangements for pick up. The below chart is for your **information and planning purposes only** so that you don't have "sticker shock" when you purchase your tickets.

There are two options for lift tickets—preprinted (PP) by date or a scannable card (SC). The price is the same regardless of which option you choose. This chart lists the rates for the various age groups/number of days.

	Adult (13-64)	Seniors (65+)	Child** (age 5-12)
1-Day	\$143	\$125	\$110
2-Day	\$286	\$250	\$220
3-Day	\$402	\$357	\$279
4-Day	\$528	\$472	\$368
5-Day	\$650	\$585	\$450
6-Day	\$768	\$690	\$534

** If you plan to enroll your children in ski school, check with them about lift tickets. If they are not in ski school, then purchase their tickets with your voucher. For more information or to enroll your children, please call the ski school directly at 1-888-754-8477.

PRE-PRINTED DATES (PP) If you are sure you want to ski every day, and every day at Deer Valley Resort, this is the most convenient choice.

- Each lift ticket is pre-printed with the valid dates for skiing.
- The advantage is that the tickets allow the guest to proceed directly to the chairlift!
- Multiple date tickets are pre-printed with the dates of skiing, and must be consecutive days.
- No changes to the dates of skiing are possible after the order deadline.

SCANNABLE CARDS (SC) If you do not ski consecutive days at Deer Valley, or if you want to decide while you are in Park City, this is the most flexible choice.

- Each card is valid for a specific number of ski days in a seven day period.
- The scannable card allows you to choose which days you want to ski.
- Each day you wish to ski, take the card to a Deer Valley ticket window to receive a lift ticket for that day.
- After 3:00 pm, you may scan/pick up a lift ticket for the following day.
- Scannable cards may be redeemed at the ticket office/rental shop in The Lodges at Deer Valley lobby.
